# How to authorize a AX HYBRID PRO 2.0 on HC to HPP

Preparation

1. Download Hik-Connect and Hik-Partner Pro on your phone.
2. Finish adding AX HYBRID PRO 2.0 on HC.

How to authorize a AX HYBRID PRO 2.0 on HC to HPP
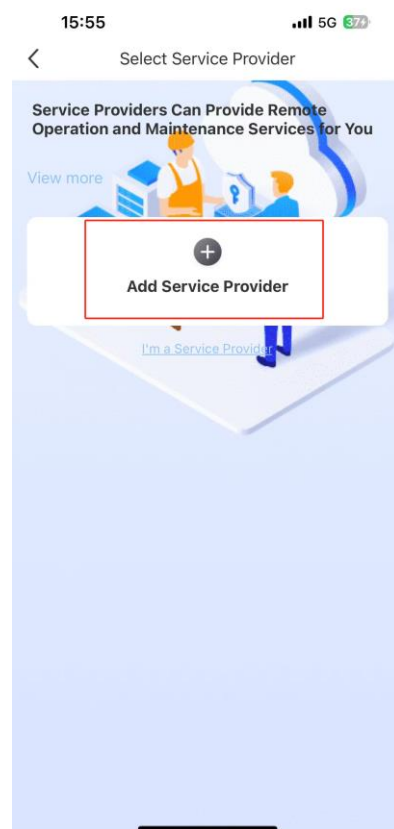

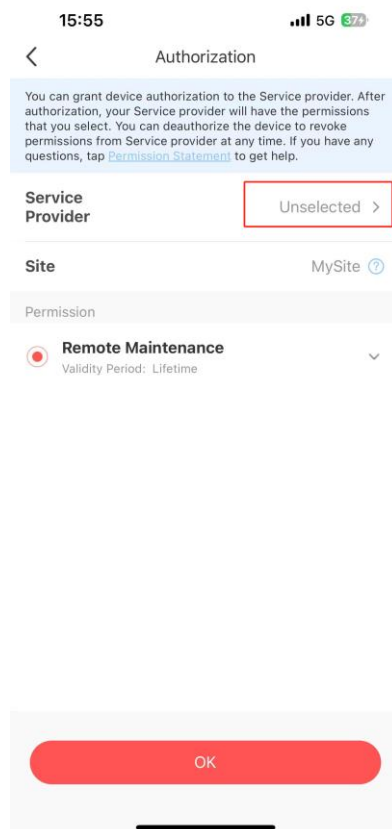

1. Configuration on the HC side.
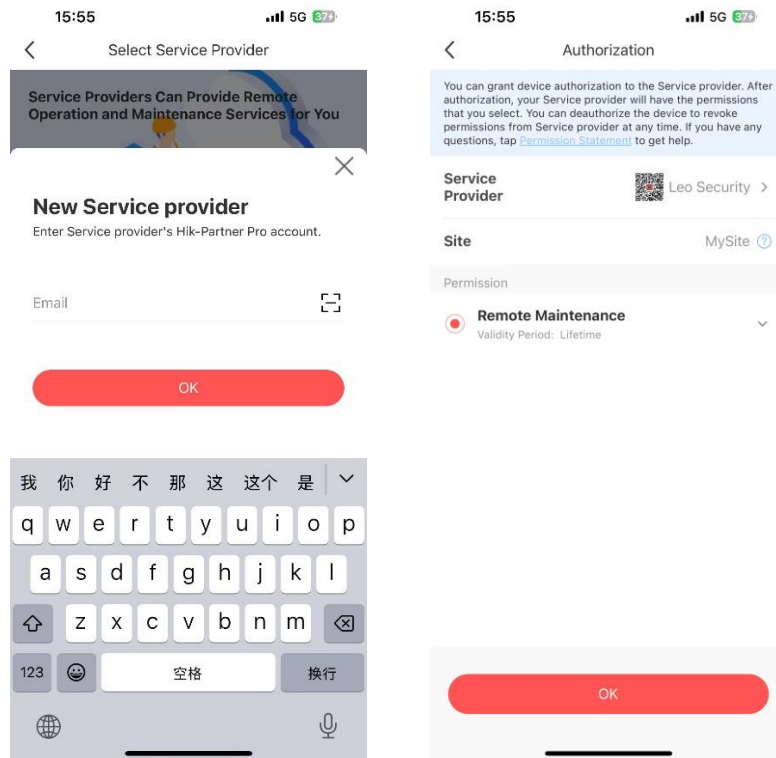

1) Go to the configuration screen of the device.

2) Scroll down to the bottom and click on **Authorization Service**.

3) Click on **Service Provider** → Click on **Add Service Provider**

4) Enter the HPP account email address or scan the QR code provided by HPP.

4) Click on the icon in the figure below to select which privileges to give to the HPP account.
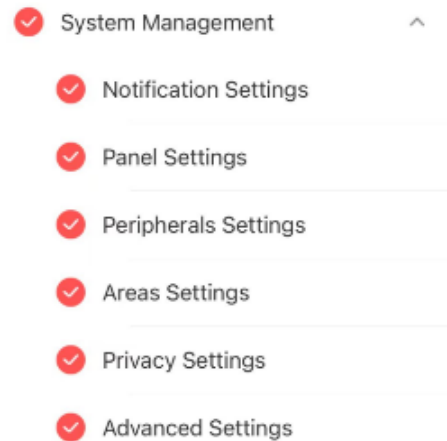

Note:

User Management: Choose which users HPP can manage.

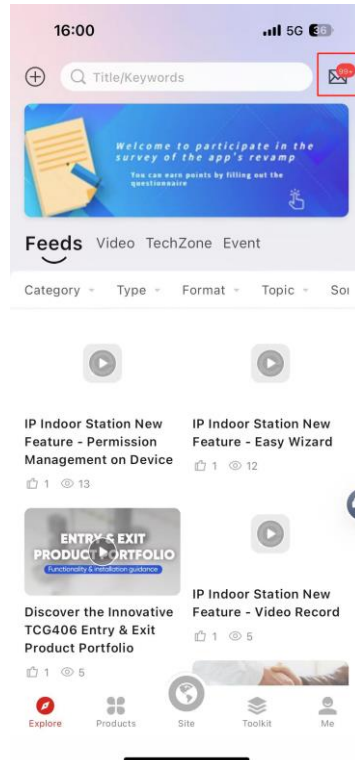

System Management:

4) After selecting the permissions, click OK.

A notification will be automatically sent to the HPP account, waiting for the HPP side to pass the invitation.
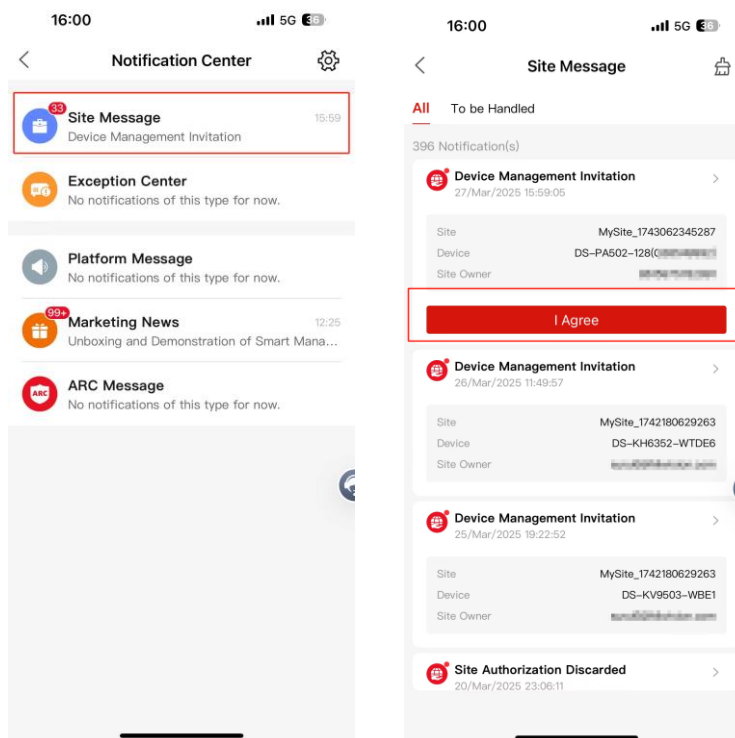

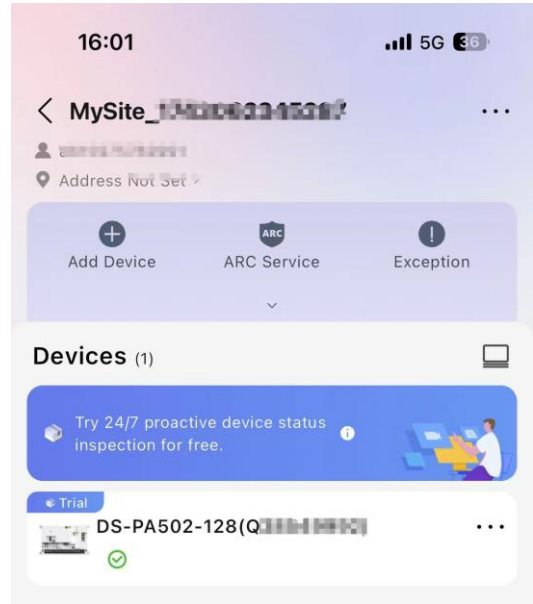

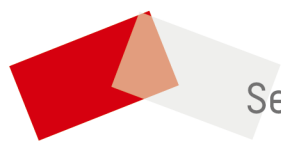

2. Configuration of the HPP side.

1) Click on the message notification in the upper right corner of the home page.

2) You can see the **Site Message**, click on it and click **I Agree.**

3) You can see a new site in the Site interface, you can click on it and manage it.
