CODE: RAOS v.1.1/II
NAME: Lighting for RACK19" cabinets

EN*

Installation example:

APPLICATION

The RAOS lighting should be mounted at the rear (inner) or at the front side of the RACK 19" cabinet.
It is designed for lighting the inside of the cabinet during installation or servicing. The lighting is designed for RWA, RW and RWD hanging cabinets or for RS and ZRS free standing cabinets.
