

UT9179

WALL HOUSING FOR 9 ULTRA MODULES

Surface-mounted housing, 9 modules (3 supports of 3 side-by-side modules), for Ultra entrance panel. It consists of a metal support that secures the modules without using screws and a finishing frame in die-cast aluminium given a cathoporesis treatment to increase its resistance to chemical and environmental corrosion, including damage from UV rays. Just 35 mm protrusion from the wall. The cable allowing connection of side-by-side modules is included. Dimensions: 332x289x35mm
